

May 8, 2018

Dear Neighbor:

May we take this opportunity to thank you for your past membership in the block association. We hope that you will want to continue your membership for the new fiscal year **starting July 1, 2018 and ends June 30, 2019**. In order for the block association to grow, we need the financial support and participation of persons like you. Please help us by continuing your membership. Not only will your dues help to defray the operating costs of the block association as a not-for-profit corporation, but it will also provide the funds necessary to sponsor events like our annual Kids Are Blooming Day, Tree Lighting and New Year's gathering.

Please show your support by sending your dues today! Dues are \$25.00 for tenants and \$50.00 for homeowners. To ensure proper credit, please complete the form below, detach and return it with your check. Thank you so much.

Yours truly,  
The Executive Board
